 What is a moon jar? 

A **moon jar** is a large, round **Korean white porcelain jar** from the **Joseon dynasty**, whose softly swollen, almost spherical body and **milky-white glaze** evoke the appearance of a full moon. 1 2 6

Key points:

- **Origin:** Made in Korea during the **Joseon dynasty (1392-1910)**, especially from the

Hi-Fi sound.
